

Hillsong Kids, Supernatural

These are the days when
We can see miracles
Your wonders everywhere

Here is my life Lord
You can use me
To show the world You care.

You made me, You saved me Lord
You called me, and gave me Jesus.

Supernatural, supernatural God
All things are possible
Supernatural, supernatural God
I'm gonna praise You.

You are my healer
And my salvation, thank you for your grace

Your name is higher
Than any other, greatly to be praised.
