

Hillsong London, It's A New Day

Beauty for ashes, joy for my pain
You've given me wings to fly again
Strength for today, a dance for my sorrows
Because of you, because of you

Shades of grey turn to colour
Dark of night breaks to day

It's a new day, it's a new day
Shadows rise at the glory of the son
It's a new day, it's a new day
The past has gone and life has just begun

Hope for my future
My life's made brand new
Because of you, because of you
Chains of fear turn to freedom
Silence breaks into praise

It's a new day, it's a new day
It's a new day, since you came my way

Shades of grey turn to colour
Dark of night breaks to day
Chains of fear turn to freedom
Silence breaks into praise
