

# Hillsong United, Desperate People

You crossed the great divide, You took our place  
You offered up Your life though we have failed  
the veil was torn and love remained  
You are holy Lord

Distraction costs us, how we seek Your face  
we offer up our lives to bring You praise  
a love the walls cannot contain  
You are holy Lord

We're rising up in spirit and in truth  
a living sacrifice we worship You  
people undivided, Lord hear us sing  
we are Yours and You are our King

This is our love  
Hearts joined as one  
Desperate for all You are  
Lord break down these walls  
and see how we love  
Desperate for all You are  
We chase Your heart

We didnt come to leave here entertained  
or worship under any other name  
we're crying out for You alone  
You are holy Lord

We're rising up in spirit and in truth  
a living sacrifice we worship You  
people undivided, Lord hear us sing  
we are Yours and You are our King

This is our love  
Hearts joined as one  
Desperate for all You are  
Lord break down these walls  
and see how we love  
Desperate for all You are  
We chase Your heart

Show us the way to Your heart  
Show us the way to Your heart

We found our voice  
we found our cause  
were on our knees, the carpet's worn  
as we join our hearts  
with distant shores and sing to You Lord

This is our love  
Hearts joined as one  
Desperate for all You are  
Lord break down these walls  
and see how we love  
Desperate for all You are  
We chase Your heart
