

Hillsong United, I Feel Like I'm Falling

Standing tall in this wide space
Getting lost in Your embrace
I see a fire burning brighter
It's calling me to catch the flame

I feel like I'm falling over and over in love with You
It's not just a feeling, but I know that He is real
I feel like I'm falling into the arms of a mighty God
It's not just a feeling, but I know that He is real

You're drawing me closer to Your side
It's the safest place I know where to hide
With one glance You captured my heart
You speak Your words and set me apart

I feel like I'm falling, I feel like I'm falling
I feel like I'm falling, falling into the arms of love
