## HIM, Love You Like I Do

On my heart I'll bear the shame No prayer can ease the pain No one will love you No one will love you the way I do No one will love you Love you like I do

And there's no escape Just countless mistakes No one will love you No one will love you the way I do No one will love you Love you like I do

It will never be the same Witness trust fade away No one will love you No one will love you the way I do No one will love you Love you like I do

No one will love you No one will love you the way I do No one will love you Love you like I do

Love you like I do Love you like I do Love you like I do Love you like I do
