

HIM, This Fortress Of Tears

No one can hurt you now
In this haven safe and sound
No one can save you now
From this grace you are drowning
in
Just hold your breath on your way down
This fortress of tears
I've built from my fears for you
This fortress won't
fall
I've built it strong for you
No one can free you now
From the chains around your heart
Don't be afraid now
Just
dive in this emptiness
And hold your breath on your way down
