

# HIM, This Fortress Of Tears

No one can hurt you now  
In this haven safe and sound  
No one can save you now  
From this grace you are drowning  
in  
Just hold your breath on your way down  
This fortress of tears  
I've built from my fears for you  
This fortress won't  
fall  
I've built it strong for you  
No one can free you now  
From the chains around your heart  
Don't be afraid now  
Just  
dive in this emptiness  
And hold your breath on your way down
