tanha na chhodna kasmeyn na todna
tanha na chhodna kasmeyn na todna
ishq mera ishq deewana
afsana banake bhul na jaana
deewana banake durr na jaana

yeh kya huaan hai kaisa nasha hai
chhayi hai dil pe kyon bekhudi
tumse hai kehna vaada hai lena
dhoka na dena humko kabhi
aawara har dhadkan hai bechain mera dil hai

betaabi ka yah aalam samjhana mushkil hai
yeh rishta jodna tanha na chhodna
ishq mera ishq deewana
afsana banake bhul na jaana
deewana banake durr na jaana
afsana banake bhul na jaana
deewana banake durr na jaana

zehir zehir hai kehar kehar hai
teri chaahaton ka hai yeh asar
kyon bheed mein bhi tanhaaiya hai
bechainiya hai aye hamsafar
madhoshi ke lamhe hai
saanson mein toofan hai
lutt jaane ka chahat mein ab mera armaan hai
raahen na modna kasmeyn na todna
ishq mera ishq deewana
afsana banake bhul na jaana
deewana banake durr na jaana
afsana banake bhul na jaana
deewana banake durr na jaana
