Hin Onde, House of Hel

(Music and Lyrics by NRQ)

Follow me into the water Across the river Follow me to my death Into a new world

Cold dark and misty Adobe of the dead In the world of Nifelheim The House of Hel

Guarded by Garm, the House of Hel Gjoll the Impassable encircles the realm Helheim, world of the dead where no life dwells Once you have entered you'll never leave

Follow me into the water Across the river Follow me to my death Into a new world

Hraesvelg the corpse eater Watches over the realm In the form of an eagle He makes the winds blow

Guarded by Garm, the House of Hel Gjoll the Impassable encircles the realm Helheim, world of the dead where no life dwells Once you have entered you'll never leave
