

# Hinder, Far From Home

You said Im always saying sorry for the same old things  
Im sorry for the drugs and how much I drink  
You said I say it so much it doesnt mean anything  
Im sorry my love, but I had to leave

I hope most of you will never know  
What its like to let it a love go  
Leaving everything at home  
Everything youve ever known

I cant fix this from a phone  
Im sorry you feel so alone  
Its like I told you,  
Youre better off without me, Im sick of saying sorry  
So far from home

You keep calling and complaining that I just dont care  
Would you say that if I was there?  
Its that picture you keep hanging thats causing your tears  
I could set you straight if you were here

I hope most of you will never know  
What its like to let it a love go  
Leaving everything at home  
Everything youve ever known

I cant fix this from a phone  
Im sorry you feel so alone  
Its like I told you,  
Youre better off without me, Im sick of saying sorry

I dont want to string you along  
And thats why Im letting you go  
Its like I told you,  
Youre better off without me, Im sick of saying sorry  
So far from home

And I dont know how many times I torture you  
And I cant count how many fights I fought with you

I dont want to string you along  
And thats why Im letting you go  
Its like I told you,  
Youre better off without me, Im sick of saying sorry

I cant fix this from a phone  
Im sorry you feel so alone  
Its like I told you,  
Youre better off without me, Im sick of saying sorry  
So far from home
