

Hippos, Beats Don't Stop

I can hear your sound dripping down my ears

Is anybody out there?

I can feel your pulse like an eight oh eight

Is anybody out there?

And the beats don't stop 'til your body drops

And the beats don't stop 'til your body drops

And the beats don't stop 'til your body drops

And the beats don't stop 'til your body drops

I can see your breath dripping down my skin

Is anybody out there?

I can feel your waves like a theramin

Is anybody out there?

And the beats don't stop 'til your body drops

And the beats don't stop 'til your body drops

And the beats don't stop 'til your body drops

And the beats don't stop 'til your body drops

(Oh-oh-oh-way-oh)

And the beats don't stop 'til your body drops

And the beats don't stop 'til your body drops

And the beats don't stop 'til your body drops

And the beats don't stop 'til your body drops

(Oh-oh-oh-way-oh)

(Oh-oh-oh-way-oh)

And the beats don't stop 'til your body drops

And the beats don't stop 'til your body drops

And the beats don't stop 'til your body drops

And the beats don't stop 'til your body drops

(Oh-oh-oh-way-oh)

I can hear your sound dripping down my ears

Is anybody out there?

I can feel your pulse like and eight oh eight

Is anybody out there?

And the beats don't stop 'til your body drops

And the beats don't stop 'til your body drops

And the beats don't stop 'til your body drops

And the beats don't stop 'til your body drops

Is anybody out there?

Is anybody out there?

Is anybody out there?

Is anybody out there?

Is anybody out there?

Is anybody out there?

And the beats don't stop 'til your body drops

(Ooh-oo-oo-oo)
