

Hippos, The, Run Away And Hide

Open your eyes
Pull up the blinds
Today's a sunny day
Despite what they're saying
You're gonna make it
I know you'll find a way
So come on and take my hand
We'll be off to a distant land
Because it's a nice day to get away
From all the pain inside
A wonderful day to run away
Run away and hide
We'll be alright
People so near
I know that scene
But it ain't worth your time
They're all so shallow
So insincere
You learn to pay no mind
So come on and take my hand
We'll be off to a distant land
Because it's a nice day to get away
From all the pain inside
A wonderful day to run away
Run away and hide
We'll be alright
We'll be alright
We'll be alright
We'll be alright
We'll be alright
So come on and take my hand
We'll be off to a distant land
Because it's a nice day to get away
From all the pain inside
Wonderful day to run away
Run away and hide
It's a nice day to get away
From all the pain inside
Wonderful day to run away
Run away and hide
We'll be alright
(Run away and hide)
