

# Hippos, The, Struggling

you think you know who I am  
but you don't know who I am  
you think that you're so smart  
you're just as dumb as I am  
so don't try to hide what's behind those eyes  
behind that smile and those big blue eyes  
I can see right through your lies  
I see you at the beach  
you're lying in the sand  
you seem so hard to reach  
you're trying as hard as you can  
so don't try to hide what's behind those eyes  
behind that smile and those big blue eyes  
I can see right through your lies  
you're struggling...
