

# Hippos, Thinking

I can't stop thinking  
while I'm on the can  
your eyes pop into my mind again and again  
oh annie  
why can't you understand  
every night I dream about being your man  
but every time I come up to you  
my throat turns dry I'm tripping on my shoes  
I don't know what I'm gonna do  
cause I think I have fallen in love with you  
it's true  
wishing that  
you'd come up to me  
you're always on my mind you're driving me crazy  
I'm missing  
your personality  
you're always on my mind you're making me lazy  
but every time I come up to you  
my throat turns dry I'm tripping on my shoes  
I don't know what I'm gonna do  
cause I think I have fallen in love with you  
so please oh please won't you tell me that you love me too
