

Hissyfits, Tired

Don't wanna talk about it
Seems like we've said it all before
We're better off without it
Don't wanna hear it anymore

Don't wanna talk about it
You never listen anyway
I've tried to scream and shout it
But you just look the other way
I'm leaving!

I'm tired of feeling I've got to steal your love away
I'm tired of pleading for you to stay another day
So tired I'm dreaming you said you loved me yesterday
I'm frightened to wake up and find we've thrown it all away

Don't ask me, I'm leaving
We've gone and thrown it all away (4x)
(It doesn't matter what I say, you never listen anyway...)
