

# Hitchcock Robyn, Madonna Of The Wasps

Lost Madonna of the Wasps, I wonder where we crossed  
I wonder why she lost me-  
Lost Madonna of the Wasps, she's lying in the frost  
I wonder what she cost me-

CHORUS

Is this love?

Gone Madonna of the swans, she waves a magic wand  
And then she settles on me

Wise Madonna of the Flies, I look into her eyes  
And then she recognize me-

CHORUS

Lost Madonna of the Wasps, I wonder where we crossed  
I wonder where she lost me-

Lost Madonna of the Wasps, she's dying in the frost  
I wonder what she cost me-

CHORUS
