

# Hitomi Kuroishi, Boku wa, Tori ni Naru

When I just cant find my way  
You are always there for me  
When I am out of my way  
You are always there for me  
When I just cant find my way  
You are always there for me  
When I am out of my way  
You are always there for me  
Like a bird in the sky  
You set me free  
You give me one heart  
Like a star in my night  
Youll always be a part of me  
When I just cant fly my way  
You are always there  
You are always there  
You are always there for me  
In my darkest dreams  
I hear you call me  
You give me the reason to live  
In my dirty heart  
I hear you call me  
And you reach out to carry me away  
No one can save my soul  
Only you  
Like a bird in the sky  
You set me free  
You give me one heart  
Like a star in my night  
Youll always be a part of me
