

Hobo Blues Band, The Hobo Poem

there was a hobo with a scruffy beard,
he had no food and he had no job,
he lived at the end of blackpool pier, and people usually called him bob.

all he owned was a cardboard box which his cat took up most of the space,
all he ever wanted was a pair of socks,
but he didn't even get a shoe lace.

people use to say you stupid man,
and he got very angry,
he shouted back in a hobo called stan,
and the posh people said he was dandy!
