

Hockey, Learn To Loose

I don't know what to do
I don't know what to do
I don't know what to do
I don't know what to do
And all the times it's worked
And all those times are gone
Are the times I loved
You know i've got to learn to lose for a while
Chyeah I've got to learn to lose for a while
Yeah I've got to learn used to be hard
