

Hoku, How Do I Feel (The Burrito Song)

How do I feel (the Burrito Song)

I was free
when we met.
You were eating a burrito.
With a girl,
Some brunette.
At El Torasco's.
Then you smiled,
Like you knew,
That someday we'd be together.
And together we were for a while!

chorus
Oh!
How do I feel?
Ever since I walked away from you.
I missed you for real.
Every day of my life.
How do I feel?
Now that it's over.
For the thing that I miss the most,
Is missin' you.

I was lost.
For a while.
Every place brought back a memory
Of a kiss,
Or a smile,
That you gave me.
Now it's changed.
Well I guess.
More and more.
I miss you less and less.
Sometimes it's hard to let go!

chorus
Oh!
How do I feel?
Ever since I walked away from you.
I missed you for real.
Every day of my life.
How do I feel?
Now that it's over.
For the thing that I miss the most.
Is missin' you.

Sometimes, (sometimes)
you get trapped in the time of your life. (in a time)
But you know it
Gets a little easier
Over time. (over time)

How do I feel?
Now that it's over.
For the thing that I miss the most...

I miss the moody,
walks in the rain.

I miss the poetry,
I miss the days.

I miss the sad songs,

I used to play.

Chorus

For the thing that I miss the most,
Is missin' you.(thing that I miss the most...)
