

Holden Avenue, Doll

You said, it's too late, for me to change myself
My customs, my habits are driving you insane
You're wrong i think, i might still have a chance
only for you i become good man i become good man
Only for you i can change my whole life
Only for you i can start acting right
I will behave
I will behave
Only for you i'll become someone else
So now you see that you can take my word
New look, new me, not like the one before
But think and tell me was it really worth?
You've lost real me and got some fuckin doll got some fuckin doll
Only for you i can change my whole life
Only for you i can start acting right
I will behave
I will behave
Only for you i'll become someone else
So if you know who i am
better don't change me accord to your plan
I'll be myself
I'll be myself
and our life will be better by then
