

Hole, Miss World (Demo Version)

I am the girl you know who lies and lies and lies
No matter where you go i try and try and try
I am the girl you know who lies and lies and lies
I am the girl you know can't look you in the eye

I'm miss world
Somebody kill me
Kill me pills
No one cares
My friends

I'm miss world
Watch me break
and watch me burn
No one can hear me
My friends

My friends
My friends
My friends

I am the girl you know who lies and lies and lies
No matter where you go I try and try and try
I am the girl you know who lies and lies and lies...
