

Hole, Rock Star (Alt Version)

How'd you like to be a rock star
Would it be fun to be a rock star
I know you want to be a rock star
Say you'd rather die
I think you'd have to try
How'd you like to be Madonna
Would it be fun to be Madonna
So much fun to be Madonna
Say you'd rather die
I think you'd have to try
How'd you like to be Nirvana
So much fun to be Nirvana
F**king barrel of laughs in Nirvana
Say you'd die
I'd try
I know that you
We are not who we f**k
It is your own idea
Get out of my, get out of my house
Get out of my house, poison
How'd you like invade my house
Throw my baby and furniture out
How'd you like credit for this song
You'd rather die
I'd rather die
