

Holly Palmer, All I Really Wanna Do

I ain't looking to compete with you
Beat or cheat or mistreat you
Self defy you, classify you
Deny, defy, or crucify you
All I really wanna do
Is baby be friends with you
I ain't looking to fight with you
Frighten you or up tighten you
Drag you down or drain you down
Chain you down or bring you down
All I really wanna do, ooo baby
Be friends with you
I ain't lookin' to block you up
Or shock, or knock, or lock you up
Analyze you, categorize you
Finalize you or advertise you
All I really want to do ahh
Is be friends with you woah, oh yes, woah, oh yes
I don't straight face you
I don't want to erase, or chase, or track, or trace you
Or disgrace you, or displace you, or define you, or confine you
All I really wanna do
With you is
Be friendly like, like friends
Friendly like
Like I don't wanna meet your kin
Make you spin or do you in
Or select you or respect you
Or reject or take you apart
All I really, wanna do is I said all I, I really wanna do is
All I really, wanna do is, all I really wanna do is be friends with you
I don't want to fake you out
Take or shake or forsake you out
I don't want for you to feel like me
See like me, or be like me
All I really wanna do
