

Holly Tree, Flogging A Dead Horse

my friends told me, it would be better if i didn't come
they said here sucks and i'd want to come back home
but i don't listen to them, now i'm here all alone
yet i'm as dumb as i used to be,
how did i come to this shit zone?

please tell me what i'm doing here
now i just know i wanna come back
i wanna come back

i miss my home, i miss my real friends
strange people, i'm lost in foreign lands
i came to improve my life, but it just got worst than before
i spent too much time, i don't wanna spend it anymore
