

Holly Tree, I Disagree

it's better if i don't care
about the things that you say
the things that you do
it's good for me and also for you

and i don't give a shit
if something is wrong or right
even if i'm right to die
i'm gonna drink and get high

i'm not taking none of those things they've said about me
and it's a good opportunity to say that they suck...i disagree

and i really don't know
what's my ideal
what do i look like
where's my turn, where's my pride?

is it insanity?
but now it's too late
to decide a thing
that's yet to be interrogated
