

Holly Valance, HUSH Now

Boy we've been talking
'Bout this and that
I like it fine but
I love this track
Here's my suggestion
Don't need no words
Get on your feet, leave your seat
Breathe deep and follow me

I wanna see you working what you got
Cause that's how I like it
That's how I want it, let's get on and on
Are you ready or not?

Hush now
Zip it
Don't stop moving your body on the dancefloor
Flip it
Rock that so phat
You're shaking on the dancefloor
Now dip it
Feel the base blast
You move across the dancefloor
Zip it
Cause that ain't what you came here for

Oh oh
Oh oh

So no talk but baby
Don't take offence
Cause we're on the same vibe
Boy when we dance
Your body language
No need for words
You'll do me good
It's understood
I feel you're in the mood

I wanna see you working what you got
Cause that's how I like it
That's how I want it, let's get on and on
Are you ready or not?

Hush now
Zip it
Don't stop moving your body on the dancefloor
Flip it
Rock that so phat
You're shaking on the dancefloor
Now dip it
Feel the base blast
You move across the dancefloor
Zip it
Cause that ain't what you came here for

Hush now
Zip it
Don't stop moving your body on the dancefloor
Flip it
Rock that so phat
You're shaking on the dancefloor
Now dip it
Feel the base blast

You move across the dancefloor
Zip it
Cause that ain't what you came here for

Hush now
Zip it (zip it)
Flip it
Rock it (rock it)
Let me hit it (hit it)
On the dancefloor
Hush now
Zip it (zip it)
Flip it
Rock it (you gotta rock it)
Let me hit it (let's hit it, hit it, hit it, hit it)
On the dancefloor

Oh I wanna see you working what you got
Cause that's how I like it
That's how I want it, let's get on and on
Are you ready or not?

Hush now
Zip it
Don't stop moving your body on the dancefloor
Flip it
Rock that so phat
You're shaking on the dancefloor
Now dip it
Feel the base blast
You move across the dancefloor
Zip it
'Cos that ain't what you came here for

Hush now
Zip it
Don't stop moving your body on the dancefloor
Flip it
Rock that so phat
You're shaking on the dancefloor
Now dip it
Feel the base blast
You move across the dancefloor
Zip it
Cause that ain't what you came here for

Hush now
Zip it
Flip it
Rock it (yeah)
Let me hit it
On the dancefloor
Hush now
Zip it (and now we rock it)
Flip it
Rock it (i'm gonna hit it)
Let me hit it
On the dancefloor
