

# Hollywood Undead, Wild In These Streets

Wild in these streets (Yeah)  
Wild in these streets (get em)  
Demons in my head they get loud when they speak (fuck it)  
Wild in these streets (yeah)  
Wild in these streets (get em)  
Lifted On a frequency ain't no dial that can reach

5150 when fifty bodies go missin  
Off the Vincent Thomas bridge  
And ain't no one of'em swimmin  
Ya the coast guard wants my kilos  
So I re-up then I reload  
Cuz the label wants to freeload off my singles I need C-notes,  
So I swab the fuckin decks,  
Break an oz., Then break ya neck. Break every fuckin bone in ya body, missing body, bitch who's r  
It's Undead and the rest,  
Johnny cashin checks,  
this is Hollywood, welcome to the west.

What you give,  
Is what you get.  
And what you see,  
Is what it is.  
What it is,  
Is what's it's been  
It's me against the world ya fuck your friends

King Kong!  
steam roll these muthafuckas!

Since a child was freak  
Vile when I speak.  
Wipin out they squad,  
Then I smile when I sleep.  
Let the caddy warm up,  
Caddy corner,  
Trunk box bumpin breaking glass on the block,  
Hot trouble I can see the muzzle flash in my thoughts.  
The boulevard is paved in blood, flooded with pain and drugs.  
Haunted by tainted love, come in and aim on us.  
Get'em in they home town, actin like some hoes now. (Yeah ho!)

Gravestones and bass tones  
Them raves in the catacombs  
Paris hit the plug with no prints on the pay phone.  
Dig up dem bones and let'em know  
I ain't the one to fuck with high key and low  
But I got a long way to go, the bell tolls now  
I was born deep in hell so I'm a hell hound  
You wanna live forever, fight death and his curse and if it's kill or be killed you best be drivin that he

Wild in these streets

I'll let the 9 break the silence  
Get used to hearin them sirens  
Bitches get fed to the lions  
Gone with the wind like the Mayans  
Not here to make no alliance  
I'm just addicted to violence  
Just here to give you some guidance and choke from this noose as it tightens.  
Why?  
There ain't no killin what won't die, and I got this feeling you won't try.  
Make sure you see me with both eyes. Cuz I'm the last you'll see,  
So good night
