

# Holy Soldier, We Are Young, We Are Strong

Sometimes I wonder why we&#039;re here  
We blossom, fade, and disappear  
So many souls have come  
And now they&#039;re gone  
The legacy of life moves on  
Dawn after dawn

The winds of change  
The likes of which no man can tame  
Who will remain  
To carry on in Jesus name

We are young, we are strong  
We are strong  
We were sent to carry on

The future&#039;s in the mouth of babes  
The wisdom of the final age  
It&#039;s up to us to try and make stand  
Heaven knows the time&#039;s at hand  
I think we can

The test of time  
To walk the straight and narrow line  
The choice is mine  
We follow what&#039;s divine

We are young, we are strong  
We belong  
We are strong  
We were sent to carry on

I feel I&#039;ve wasted so much time  
To live is to run the race  
To cross the finish line  
But the road to Him inclines  
As destiny unwinds

The winds of change  
Nothing ever stays the same  
Who will remain  
To forge the link, to make the chain
