

Holy Soldier, We Are Young, We Are Strong

Sometimes I wonder why we're here
We blossom, fade, and disappear
So many souls have come
And now they're gone
The legacy of life moves on
Dawn after dawn

The winds of change
The likes of which no man can tame
Who will remain
To carry on in Jesus name

We are young, we are strong
We are strong
We were sent to carry on

The future's in the mouth of babes
The wisdom of the final age
It's up to us to try and make stand
Heaven knows the time's at hand
I think we can

The test of time
To walk the straight and narrow line
The choice is mine
We follow what's divine

We are young, we are strong
We belong
We are strong
We were sent to carry on

I feel I've wasted so much time
To live is to run the race
To cross the finish line
But the road to Him inclines
As destiny unwinds

The winds of change
Nothing ever stays the same
Who will remain
To forge the link, to make the chain
