

Home Grown, Giving Up

I am wondering if your away cause
What you're doing is not fair
By telling me that you really care.
Every time I break away your always beggin me to stay.
I end up with my arms in the air.

How can you say that you love me.
When your together with your new boyfriend
No i don't really know whats going on and on

Its been the same
I sacrificed and gained nothing
The winning game has left me nowhere
A triangle that we are in
All I know I'll never win
He questioned everything that we shared.

How can you say that you love me
When you're together with your new boyfriend
No I don't really know whats going onnnnn
