

# Home Grown, Surfer Girl

I was at the beach, sittin on the sand  
When I saw this girl, dark brown eyes and a dark olive tan  
She was watching the sets with a surfboard underneath her arm  
The first moment I saw her I knew she'd do me some harm  
She's so good

She came out of the water with the best session I'd seen  
Man she had the biggest chi chi's I had ever seen  
She put down her board, and sat down next to me  
And played a soft ole lonely tune on her ukulele

I dont know what had happened, but I'd fallen asleep  
The next morning I woke up, she was sleeping next to me

Chorus:  
AAAAHHHH I fell in love with her,AAAAHHHH Im so in love with her  
AAAAHHHH I fell in love with her, AAAAAHHHH my little surfer girl

She got out of bed and waxed up both our boards  
Grabbed me by the hand and then she took me out the door  
We surfed all that day long, at least eight hours straight  
Man I knew that she was the one and damn I couldn't wait

Well I asked if she loved me  
She said, "Yea well I guess"  
So I asked her to marry me, dammit you know she said "Yes"

Chorus:  
AAAAHHHH I fell in love with her,AAAAHHHH Im so in love with her  
AAAAHHHH I fell in love with her, AAAAAHHHH my little surfer girl

I was at the alter, in my tuxedo-o-o  
Waiting for my surfer girl, man where did she go?  
Later on that day, a friend of me did tell-ell-ell  
That she went to Mexico,to catch a, to catch a, to catch a 10 foot swell  
Ah That Bitch!

Chorus:  
I fell in love with her, Im so in love with her  
I fell in love with her, my little surfer girl  
My surfer girl
