

Honeydogs, Bad Day, Good Night

Get, undress and fall into our bed
This can of worms is left for dead
I can't wait through all this shit
Come close, dear
And let me hold you near
It doesn't matter who's right or wrong
It's always coldest before dawn

One more bad day so goodnight
Turn off the light
Don't cry now
Don't speak, don't make a sound
It's a long time losing streak
But we'll get through this one more week

One more bad day so goodnight
Turn off the light
(Falls) between us are standing tall
Snowball in hell
Drunk down in a well
Chances are I will wake up with you

One more bad day so goodnight
Turn off the light
One more bad day so goodnight
Turn off the light
