

Honeyrods, By Myself

(R.J. Johnson/The Honeyrods)
If you cannot find your way back to this hole
but you can find your way to
most anything
If we cannot find our way back to this hole
I'm gonna go
I'm gonna go by myself
by myself
by myself
I still look the same
all by myself
Hey look what I've done now they'll listen to me
If you find out what we need just to all be free
I want to be free
I want to be
by myself
by myself
I still look the same
all by myself
hold on to this thing
all by myself
I still look the same
all by myself
