

Honeyroot, Where I belong

I got no worries on my mind
Leaving all my cares behind
Dont want no troubles at my door
I dont need them anymore
Coz Im....
....moving on
To where I belong
I got no worries on my mind
Leaving all my cares behind
Dont want no troubles at my door
I dont need them anymore
Coz Im....
....moving on
To where I belong
Coz Im....
....moving on
To where I belong
Feel the sunshine breaking through
And all the grey skys turned to blue
I wont let sorrow follow me
Just like a bird Im flying free
Coz Im....
....moving on
To where I belong...
....where I belong...
'Coz I'm moving on
to where I belong
where I belong...
where I belong...
I got no worries on my mind
I got no worries on my mind
got no worries on my mind
just like a bird Im flying free
got no worries on my mind
Just like a bird Im flying free... (fade out)
