

Honeyz, End Of The Line

all alone i wait for you
as darkness fills this room
i don't know why you ain't called
little things you used to do
they're no longer part of you
seems you left them all behind

well i can't believe
what i'm going through
this thing it just ain't right
your selfish ways
how you carry on
some things you just can't hide

(if you want me to go)
then say it
(want me to stay)
then show it
(don't be afraid)
oh, don't break this heart of mine
now's the time
if i'm right
then we've come to the end of the line
so say it
(want me to stay)
then show it
(don't be afraid)
oh, don't break this heart of mine
now's the time
if i'm right
then we've come to the end of the line

seems like i can't do you right
all i do or say is wrong
all the smallest things criticized
i deserve some damn respect
nothing more and nothing less
don't pretend everything's fine

don't hold it back if it's in you heart
stand up and be a man
can't read your mind so i'll just say it loud
i'm trying to understand

(if you want me to go)
then say it
(want me to stay)
then show it
(don't be afraid)
oh, don't break this heart of mine
now's the time
if i'm right
then we've come to the end of the line
so say it
(want me to stay)
then show it
(don't be afraid)
oh, don't break this heart of mine
now's the time
if i'm right
then we've come to the end of the line

even though you've been doin' me wrong
i still care

do you think that by treating me cruel
that somehow I'll dissappear
baby i love you too much just to walk away
don't make me hate you
baby you've got to be straight

(if you want me to go)
then say it
(want me to stay)
don't be afraid baby show it
(don't be afraid)
oh, don't break this heart of mine
now's the time
if i'm right
then we've come to the end of the line
so say it
(want me to stay)
then show it
(don't be afraid)
oh, don't break this heart of mine
now's the time
if i'm right
then we've come to the end of the line

come to the end of the line (repeat to fade)
