

# Honor Society, My own way

I'm having trouble to believe  
That I was ever on your mind  
Getting harder just to breathe  
Cause you left my heart on the battle lines  
You played the game  
You called the shots  
You get what you want  
But it's not enough  
So I come to you  
With a broken heart  
But before I go  
Gotta let you know  
That you never did care enough about me anyway  
So I guess it'd be best for both of us if I didn't stay  
Well you never did care enough about me anyway  
Left my heart on the floor  
Now you know  
Gotta go my own way  
I can't stay  
My own way  
I can't stay  
It's gettin' harder to believe that you were ever on my mind  
Took a while for me to see  
Now I know that you were lyin'  
Well I played your game for long enough  
I took all the shots in the end you lost  
Guess you and me wasn't destiny  
From the start wasn't meant to be  
You never did care enough about me anyway  
So I guess it'd be best for both of us if I didn't stay  
Well you never did care enough about me anyway  
Left my heart on the floor  
Now you know  
Gotta go my own way  
I can't stay  
My own way  
Gave you everything but nothing's ever good enough  
I tried to be the one that you could call the one you can trust  
But you games have all been played  
And there's nothing left to save  
You shut the door  
Cause you have all the things you're hopin' for  
Don't call me back cause you know that I'll keep goin' on  
I'm telling you I'm gone  
I'm telling you  
That you never did care enough about me anyway  
So I guess it'd be best for both of us if I didn't stay  
I just can't stay  
Well you never did care enough about me anyway  
Left my heart on the floor  
Now you know  
Gotta go my own way  
I can't stay  
My own way  
I can't stay  
My own way  
Don't come back no more  
My own way  
My own way.
