

# Hoobastank, Running Away

I don't want you to give it all up  
And leave your own life collecting dust  
And I don't want you to feel sorry for me  
You never gave us a chance to be  
And I don't need you to be by my side  
To tell me that everything's alright  
I just wanted you to tell me the truth  
You know I'd do that for you  
So why are you running away?  
So why are you running away?  
Cause I did enough to show you that I  
Was willing to give and sacrifice  
And I was the one who was lifting you up  
When you thought your life had had enough  
And when I get close, you turn away  
There's nothing that I can do or say  
So now I need you to tell me the truth  
You know I'd do that for you  
So why are you running away?  
Why are you running away?  
Is it me, is it you  
Nothing that I can do  
To make you change your mind  
Is it me, is it you  
Nothing that I can do  
Is it a waste of time?  
Is it me, is it you  
Nothing that I can do  
To make you change your mind  
So why are you running away?  
Why are you running away?  
...What is it I've got to say...  
So why are you running away?  
...To make you admit you're afraid...  
Why are you running away?
