

# Hoobastank, Running Away (Acoustic Version)

I don't want you to give it all up  
and leave your own life collecting dust  
and I don't want you to feel sorry for me  
you never gave us a chance to be

And I don't need you to be by my side  
and tell me that everything's all right  
I just wanted you to tell me the truth  
you know I'd do that for you

So why are you running away?  
why are you running away?

I did enough to show you that I  
was willing to give and sacrifice  
and I was the one who was lifting you up  
when you thought your life had had enough  
and when I get close you turn away,  
there's nothing that I can do or say  
so now I need you to tell me the truth  
you know I'd do that for you

So why are you running away?  
why are you running away?

Is it me? Is it you?  
nothing that I can do  
to make you change your mind

Is it me? Is it you?  
nothing that I can do  
is it a waste of time?

Is it me? Is it you?  
nothing that I can do  
to make you change your mind

So why are you running away?  
why are you running away?  
(what is it I have to say?)  
so why are you running away?  
(to make you admit you're afraid)  
why are you running away?
