Hoodie Allen, All About It (ft. Ed Sheeran)

[Ed Sheeran:] Said I'm all about it

Cause I got soul and I won't quit And your dad don't like it when I talk my shit Cause I'm all about it baby I'm all about it baby Staying up late just to pass the time And your parents don't like it when you out getting high But I'm all about it baby I'm all about it baby

[Ed Sheeran:] I'm not a rapper just a singer with a game plan I play guitar no need to worry 'bout my Drake hand 80,000 people in front of the stage, damn Waiting for the sun to shine just to rock these Ray Bans I just wanna leak shit (what?) Not literally leak shit Wanna push the music through the speakers Double shot glass, I'm in the back of the pub My mate Jason at the bar screaming "Who want what?" Now, please be warned That every song I feature on has capacity to be reborn I said that anything can happen when I pick up a pen But now I'm all about love so won't you say it again I said I used to be the shy type Backpack on my back on public transport sort of guy type Now I'm in the lime light Tryna get my mind right Body clock is in the clouds so often guess it's high time Hoodie sing the line like

Cause I got soul and I won't quit And your dad don't like it when I talk my shit Cause I'm all about it baby I'm all about it baby Staying up late just to pass the time And your parents don't like it when you out getting high But I'm all about it baby I'm all about it baby

I'm not a singer, I just rap pretty So now my fan base is full of Megan's and Ashley's And they're wondering if there's room for them to get in my bus And I'm like, "Naturally, baby, let me find a spot in the front" For you, and for your friends You can be mine, we can pretend Oh, typical rapper actin' a typical fashion I'm doing something that's different I'm tryin' to Paula my patent The young prince of Manhattan, now everybody believe it Adrien Broner the way I'm ducking and weaving We go together like interceptions and Revis She said the only rapper she lovin' is Yeezus

One for the money Two people since the beginning Three million records get sold and now everybody is winning I'm Larry David plus Miles Davis So, everybody hating and fuck it, I hardly blame 'em

Cause I got soul and I won't quit And your dad don't like it when I talk my shit Cause I'm all about it baby I'm all about it baby Staying up late just to pass the time And your parents don't like it when you out getting high But I'm all about it baby I'm all about it baby

[Ed Sheeran:] And they don't know anything about us Or anything about us Or anything about it No, no, no /2x
