

# HooDoo Band feat. Alicja Janosz, I Can't Stand It

I just can't stand it,  
You wan't call me on the phone  
I can't stand it,  
I don't want to live my life alone, baby I want  
I need you more then ever  
I want to be right next to u, oh lord  
I can feel you more than ever,  
Want to be right next to you,  
Right there with you, baby  
Sometimes I wonder why  
You want to make my life so hard  
Sometimes I wonder,  
You know I could lay down and die  
There's nothing in this world that  
I wouldn't do for you  
I need you girl, I'll do anything you tell me to,  
I don't wanna live my life alone  
I want be with you  
I hope you'll come back home one day  
And I'll be with you  
Oh, we could walk together each and everyday  
Forget about this sickness  
Forget about this pain  
Sometimes I wonder  
I wonder why  
Sometimes I wonder  
You know I could lay down and die  
There's nothing in this world that  
I wouldn't do for you  
I need u darling  
I'll do anything you tell me to  
Oh we could walk together,  
Oh yes we could  
Forget about this sickness,  
Forget about this pain,  
Come home to me right now  
Wanna be right there with you  
I'll be with you  
I just got to have you by my side  
I wanna be with you...
