

Hoods, 5455

I'm so sick
you fucking pigs
putting strains on my life
spreading all your fucking threats
just a bunch of fucking lies
you're just a fucking cop no better than me
you're my fucking enemy
blow off your fucking head
a kick to the face
you're a pussy with a badge you fill me with hate
blow off your fucking head
a kick to the face
you're just a pussy ass cop
