

Hootie & The Blowfish, Look Away

I saw her standing there
Tears upon her cheek told me something was wrong
I asked her what it was
She looked away and said my daddy's home.

I knew what that meant
It meant that I could never see her again
I had seen this once before
I didn't wanna deal with it anymore

Look away she said, as she turned to me
And when I tried to hold her, I couldn't let her be
Let her be, Let her be

I said why, why do you make me cry
She said I love you so, Look away I don't wanna know
I saw her standing there
Tears upon her cheek told me something's wrong
I said what baby
she looked away and said my daddy's home

Look away she said, and she turned to me
but darling, oh I loved her, couldn't let her be
Let her be, Let her be

Look away, she said I love you so, Look Away.
