

# Hootie & The Blowfish, Running From An Angel

Don't look a gift horse in the mouth  
Come on try and tell me what you're talkin about  
Those things you're dealing with, you're living a lie  
Every time I see you it makes me wanna cry

Sometimes we'd laugh and talk, seems like yesterday  
Then you let the white horse come and take you away  
They came to get you, it was cold and black  
The wheels were in motion, there was no turning back

Chorus:  
Running from an angel  
Running to the devil, devil  
Running from an angel  
Running to the devil

I looked up to you a long time ago  
But there's something I want you to know  
Your lying and cheating really tore us apart  
Please don't come home if you're gonna break my momma's heart

Chorus

Ad lib (over solo section)
