

Hope, Who Am I To Say

Love of my life, my soulmate
You're my best friend
Part of me like breathing
Now half of me is left

I don't know anything at all
Who am I to say you love me
I don't know anything at all
And who am I to say you need me

Color me blue I'm lost in you
Don't know why I'm still waiting
Many moons have come and gone
Don't know why I'm still searching

Don't know anything at all
And who am I to say you love me
I don't know anything at all
And who am I to say you need me

Hmmm hmmm mmm
Uhhh oohhh aahhh

Hooo aahhh ohh ohhh

Now you're a song I love to sing
Never thought it'd feel so free
Now I know what's meant to be
And that's okay with me

But who am I to say you love me
And who am I to say you need me
And who am I to say you love me

Mmmm Hmmm

I don't know anything at all
And who am I to say you love me
I don't know anything at all
And who am I to say you need me
I don't know anything at all

I don't know anything at all
I don't know anything at all
I don't know anything at all
