

# Horrorpops, Freaks In Uniforms

Musical correctness  
It's just a guide on how to perform  
Everything less  
Stuffed up opinions,  
Dooms all thinking  
Trying to put everything in a box  
Freaks in uniform,  
Creating norms  
It's misguided unity!

In it for the thrill  
It's got it's own will  
You can go "Na-Na-Na-Na" yourself  
Can't keep it clean,  
It's a live pinball machine

You can go "Na-Na-Na-Na" yourself

A dangerous decease  
But I don't wanna be cured  
I don't want to just be pure  
It's low self esteem  
Creates inbreeds  
A zombified closed community  
A brainwashed breed of hypocrisy  
It's misguided loyalty!

You got it, don't need no uniform  
To know where i belong  
Freak out!
