

Horyzont, Fire

Trying as I can □□□□
I wanna find the only glow □□
The sun blazes the clouds □□
The whole world colours flow □□
I know □□□□□
Reach the top of the skies □□
Where no one else ever flies□□
Though we cannot breathe, no sleep □
And you known □□□□□

You set me on fire /x4 □□□

My heart is like a piece of heaven □
To share everything I have got□□
Hoping for the best to come □□
In future, in cold □□□□
And wind□□□□□
Never ever falling down again□□
Never ever losing way again□□
Though we cannot breathe, no sleep□
And you known□□□□□

You set me on fire /x4□□□

Never ever falling down again□□
Never ever losing way again□□
Though we cannot breathe, no sleep□
And you known□□□□□

You set me on fire /x4□□

You set me on fire
You set me on fire□
Fire
