

# Hot Apple Pie, We're Makin' Up

There's a rumor goin' round that it looks like splittsville between us  
But all of that talk's just talk, so don't you believe it  
Cause I got a call from my baby and she was all, "guess what?"

[CHORUS:]

We're makin' up  
Our on again off again is on again  
We're makin' up  
She really wants to make it work I'm still so in love with her  
Forget about everything you heard  
We're makin' up

Well, I'm the first to admitt that the road's been a little bit bumpy  
But don't you think for a moment that she don't love me  
Take your nosey little nose and get a whiff of these roses on the seat of my truck

[CHORUS]

Yeah, we argue a little to much  
Maybe we broke up more than once  
Ahh, but this is the part I love

[CHORUS]

We're makin' up  
We're makin' up  
Our on again off again is on again  
We're makin' up  
We're makin' up
