

Hot Apple Pie, We're Makin' Up

There's a rumor goin' round that it looks like splittsville between us
But all of that talk's just talk, so don't you believe it
Cause I got a call from my baby and she was all, "guess what?"

[CHORUS:]

We're makin' up
Our on again off again is on again
We're makin' up
She really wants to make it work I'm still so in love with her
Forget about everything you heard
We're makin' up

Well, I'm the first to admitt that the road's been a little bit bumpy
But don't you think for a moment that she don't love me
Take your nosey little nose and get a whiff of these roses on the seat of my truck

[CHORUS]

Yeah, we argue a little to much
Maybe we broke up more than once
Ahh, but this is the part I love

[CHORUS]

We're makin' up
We're makin' up
Our on again off again is on again
We're makin' up
We're makin' up
