Look I spin corners like a daily routine
The bad choppers told a nigga I be 17
I got a 10 shot glock
Inched back then I pull it
I'm coming round your spot with a sack full of bullets
I be twisting round your block in all black nigga
Full of that style don't move I day act nigga
Find where you at and then I ch-chop nigga

Believe it's gone fail ya

Windows tinted black on black with leather seats
Hot Boys with hot girls ready for beef
Red dot plot 32 shot bodies in heat
Desert Eagle with hollows
You got nothing but egos
Putting hands to niggaz that's at evil kineevil
Playa Hatin ass niggas like shit, get assed out
With no doubt blood rush out like a water spout
LD niggaz best believe they be ridin with me
